**GTH CURRENCY CONVERTER**

## The GTH Currency Converter in Homepage

The GTH Currency Converter in Homepage is accessible from three places on the Ghana Trade Hub home page – either top right corner (see Figure 1.0), or From the Useful Tools dropdown menu located in the header (Figure 1.1)

Figure 1.0- Location of the Currency Converter (Highlighted)

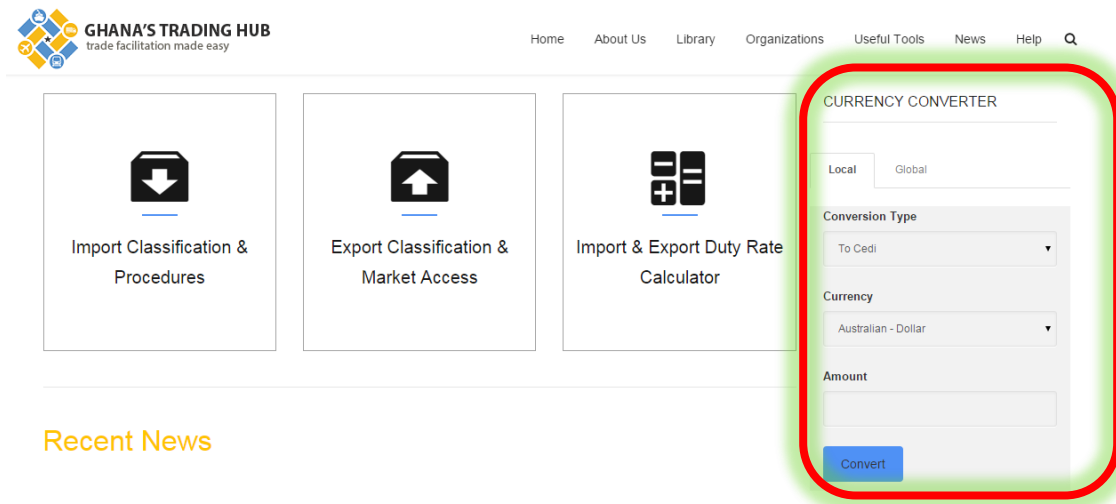

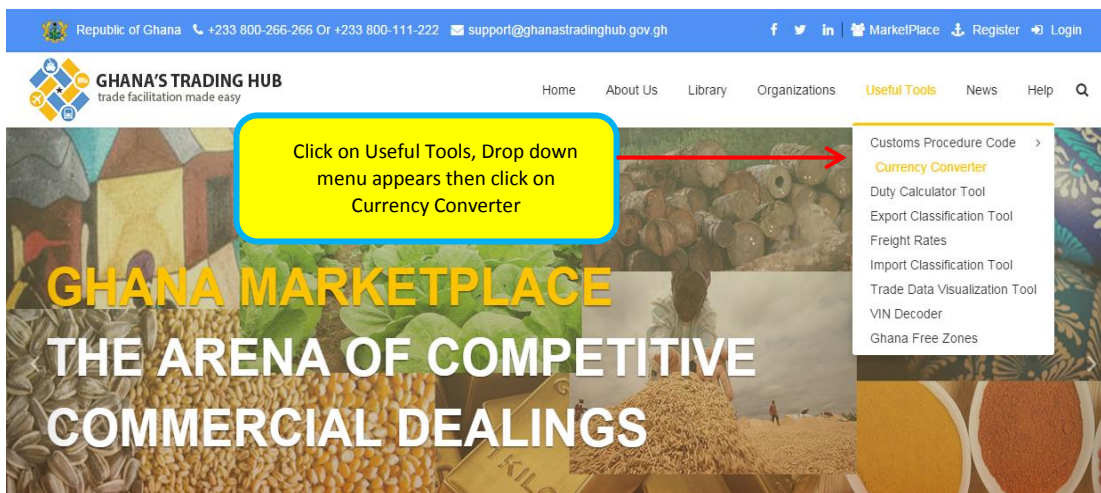

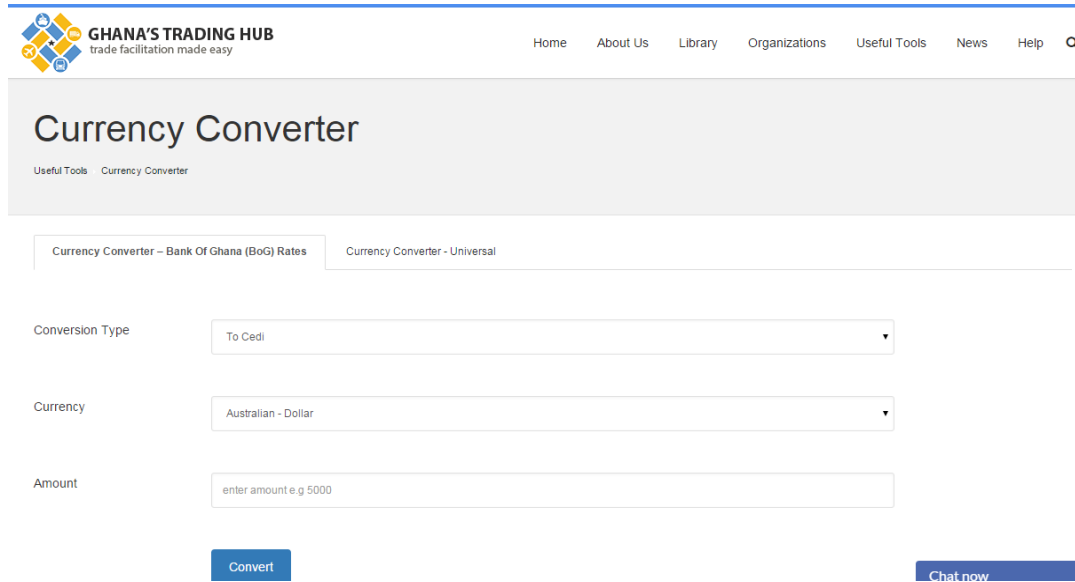

Figure 1.1- Location of the Currency Converter

When either of these options is chosen, the GTH home page is replaced by the GTH Currency Converter page (see figure 2.0).

We have two currency converters:

- Bank of Ghana (BoG) Rates
- Universal Rates

The screenshot shows the 'Currency Converter' page on the Ghana's Trading Hub website. The page has a header with the logo and navigation links. Below the header, there are two tabs: 'Currency Converter – Bank Of Ghana (BoG) Rates' and 'Currency Converter - Universal'. The 'Currency Converter - Universal' tab is active. The form includes a 'Conversion Type' dropdown set to 'To Cedi', a 'Currency' dropdown with a list of currencies, and an 'Amount' input field. A yellow box labeled 'Select Currency' points to the 'Currency' dropdown menu, which is open and shows a list of currencies including Australian - Dollar, Austria - Schillings, Belgium - Franc, Brazil - Real, Canadian - Dollar, CFA, China - Yuan/Renminbi, US - Dollar, and Czech Republic - Koruna. A 'Convert' button is visible below the dropdown, and a 'Chat now' button is on the right.

The system gives the conversion of the amount to selected currency. (see Figure 2.3)
